

CONSENT TO DISCLOSURE OF TAX RETURN INFORMATION

SPRINT TAX, INC. (“we” “us” and “our”)

Federal law requires this consent form be provided to you (“you” refers to each taxpayer, if more than one). Unless authorized by law, we (“we,” “us,” and “our” refers to the tax preparer and the tax preparation firm) cannot disclose your tax return information to third parties for purposes other than preparation and filing of your tax return without your consent. If you consent to the disclosure of your tax return information, Federal law may not protect your tax return information from further use or distribution.

You are not required to complete this form to engage our tax return preparation services. If we obtain your signature on this form by conditioning our tax return preparation services on your consent, your consent will not be valid. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature.

You have indicated that you are interested in applying for financial products (an e-Card or Electronic Refund Deposit) from a third party. In order to have your financial product application processed by the third party, we must disclose all of your tax return information, provided that you authorize disclosure of all of the information required by the third party to consider your application.

If you would like us to disclose your 2015 tax return information to the third party for this purpose, please sign and date your consent to the disclosure of your tax return information.

By signing below, you (including each of you if there is more than one taxpayer) authorize us to disclose to the third party all of your 2015 tax return information so that the third party can evaluate and process your application for a financial product. You understand that if you are not willing to authorize us to share your tax information with the third party, you will not be able to obtain a financial product from the third party, but you can still choose to have your tax return prepared and filed by us for a fee.
